Extract from the War-Office Regulation.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

N.B.—This Regulation also applies to Brevet Commissions.

The Fees on Commissions for Officers upon the Irish Establishment have been assimilated to the Rates payable on Commissions upon the British Establishment.

Extract from the War-Office Regulation.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

N.B.—This Regulation also applies to *Brevet* Commissions.

The Fees on Commissions for Officers upon the Irish Establishment have been assimilated to the Rates payable on Commissions upon the British Establishment.

Extract from the War-Office Regulation.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

N.B.—This Regulation also applies to Brevet Commissions.

The Fees on Commissions for Officers upon the Irish Establishment have been assimilated to the Rates payable on Commissions upon the British Establishment.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. "Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

Extract from the War-Office Regulation.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

Extract from the War-Office Regulation.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, he is immediately to remit the same to the Agent.

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."

N.B.—This Regulation also applies to Brevet Commissions.
